Dear Friend,

I am honored to serve as the President of Kid's Chance of Pennsylvania in its 10th anniversary year. Looking back over the past decade, it is clear that we have many accomplishments to celebrate. Looking forward, it is clear that we will have many more to come.

Kids' Chance of PA was founded in 1997 through the vision and hard work of Rick Jurewicz and Joe Lurie, with the support of their law firm, Galfand Berger, LLP. In that first year, they received a \$5000 contribution from Travelers Insurance and awarded one \$3000 scholarship to a young man attending Harvard University. Since then, Kids' Chance of PA has awarded \$369,750 in scholarships, helping to change the lives of 263 students attending colleges and universities throughout the country.

The good work of Kids' Chance of PA is funded entirely through the contributions of our corporate and community partners and our individual donors. On behalf of the Board of Directors, I would like to express our deepest appreciation for their generous support. I would also like to thank our Board of Directors for the time, energy and enthusiasm they bring to their roles. Many thanks, also, to the Bureau of Workers' Compensation for their invaluable support of our efforts.

In celebration of our 10th anniversary, we are launching the Kids' Scholars Program. This program provides our contributors with the opportunity to fund a named scholarship directed toward a student pursuing a particular field of study. Further information on this exciting initiative can be found on our website www.kidschanceofpa.org.

In May we will host our 2nd Annual Golf Outing and Recognition Event in Hershey to celebrate our accomplishments, recognize our supporters and meet some of the fine young people who have benefited from your support. I hope to see you there!

Sincerely,

Suzanne Emmet
President
