

NINETEENTH ANNUAL
RAY NESS MEMORIAL
GOLF TOURNAMENT
TO BENEFIT
KIDS' CHANCE OF PA
&
THE AUTISM SOCIETY OF AMERICA
JULY 24, 2010

TO: PREVIOUS AND POTENTIAL SPONSORS
FROM: GOLF TOURNAMENT COMMITTEE

As many of our previous sponsors know, this tournament was started 19 years ago after the sudden and tragic death of our father. Prior to his death, he had expressed the desire of getting a few friends together and having a small tournament. As a final tribute to our father, so began the Annual Ray Ness Memorial Golf Tournament. Little did we know our first little tournament with 60 golfers, would turn into a premier area event.

Over the past eighteen years we have given over \$72,000.00 to charitable causes. Last year we donated \$5,000.00 to Kids' Chance of PA and \$3,000.00 to the Autism Society of America. This year, your donations will once again benefit Kids' Chance of PA, which provides educational support to children of PA workers who have been killed or seriously injured in work related accidents and the Autism Society of America, because Ray's one grandson is inflicted with this neurological disorder. However, we cannot accomplish this task without the help from you, our sponsors.

If you are a previous sponsor, we are again looking for your support. If you are a potential sponsor, we hope you will join us in supporting these worthwhile causes. We have a three-tiered sponsorship structure: Gold - \$100.00 PLUS, Silver - \$75.00, or Bronze - \$50.00. For your donation, you will receive a large sign displayed throughout the tournament, an ad in our tournament program, and the satisfaction of knowing your money is being designated to worthwhile causes.

Should you be interested in contributing, please complete the enclosed agreement and return it to Tina Jackson with your check by **July 10, 2010**. Many thanks to past and potential sponsors; we certainly hope we can count on you to make this tournament another

SUCCESS!
