

## Scholarship for College

Kids' Chance of Pennsylvania provides scholarship grants to kids where a parent has been seriously injured or killed in a work-related accident. The hardships resulting from a death or serious disability of a parent often include financial ones, making it difficult for deserving young people to pursue their educational dreams.

Even more, the timing of these hardships may be well in advance of college tuition - **That's where Kids' Chance of Pennsylvania can play a role in helping kids fund college.**
