## UPDATE ON SCHOLARSHIPS

The Kids' Chance Scholarship Committee has received 65 scholarship applications for the 2018 year; 34 new applicants and 31 renewal applicants. A Scholarship Committee of Kids' Chance volunteers consists of ten (10) professionals from different areas of the workers compensation sector and higher education. Each Kids' Chance Scholarship

Committee member is asked to review 7-8 applications that they will present to the entire Scholarship Committee in September. The students are being reviewed for consideration of receiving Kids' Chance Scholarship between \$1,000 and \$5,000 for the 2018-2019 academic year. Kids' Chance Scholarship Committee members not only organize and review the applications, but they also reach out to each of their student applicants to collect additional information from the students and their parents that they feel may be helpful in securing the students a scholarship, and they answer any questions that the student or their parents may have. Final decisions of scholarship recipients are expected to conclude in September, and students will be notified of the Committee's decisions by Kids' Chance of Pennsylvania at that time.

## Updates from Our Outreach Committee!

Summer is a slow time of year for The Outreach Committee, however, we are gearing up for a busy fall. Our Outreach calendar includes the upcoming Pennsylvania Workers' Compensation Fall Section meeting on October 4 and 5 in Hershey, Pennsylvania. That event includes a silent auction that will benefit Kids' Chance of Pennsylvania. In addition, the Pennsylvania Bureau of Workers' Compensation GOSH Conference on October 29 and 30 is another opportunity to spread the word about Kids' Chance. Kids' Chance Awareness Week this year falls on November 12 through 16, 2018 and our Committee will be working to maximize exposure throughout the State. Finally, Mike Lehr continues to work on our outreach efforts to high school counselors as we look forward to the annual PSCA Conference in State College that will be held in the late fall.

In addition to the outreach calendar and other events, the Outreach Committee looks for any opportunity to spread the word about the Kids' Chance mission as well as identifying potential scholarship recipients. The Outreach Committee encourages any and all outreach efforts including everything from website links to advertising to personal contact with potential sponsors and scholarships recipients. If you have any ideas or input for outreach, do not hesitate to contact Pete Pentz at 814-651-0695 or at [petep@pentzlaw.com](mailto:petep@pentzlaw.com).
