Student Spotlight

"I would like to thank Kids' Chance and the ACE Charitable Foundation for providing me with the chance to receive a college degree. Without the financial support of Kids' Chance, my dreams of graduating from college with a degree in English would not be possible. I am now in my Junior year at Loyola University Maryland and for the past three years Kids' Chance has allowed me to have the college experiences I dreamed about when I was a child.

Kids' Chance is unlike any other scholarship program and because of the help and generosity of Kids' Chance and the ACE Charitable Foundation I am able to attend the school of my dreams."
