Student Spotlight

"It is my great honor to be one of the lucky recipients of a Kids' Chance scholarship this 2011-2012 school year. As a Physician Assistant student, I know how important school is to my future. Without this scholarship, my journey at Seton Hill University would not be nearly as possible.

Although my mother's illness contributed to a stressful childhood, one in which I had to mature before my age, it also allowed me to become certain that I wanted to hold a profession in the medical field. Since only my father can work, and our household income is minimal, Kids' Chance of Pa has allowed me to fulfill my childhood dreams of becoming a medical professional.

Sometimes it is funny how things work out, but I know that becoming a Physician Assistant is what I am

supposed to be. I love every moment of it, and I have Kids' Chance of Pennsylvania to thank."

Sincerely,
Brea
