Kids' Chance of PA would like to thank this year's sponsors for helping to make the 2011 5/10K Walk/Run events a success!

With the support of our sponsors, Kids' Chance of PA will raise funds to continue our mission of providing scholarship grants for college and vocational education to children of Pennsylvania workers who have been killed or seriously injured in a work-related accident resulting in financial need. The hardships created by the death or serious disability of a parent often include financial ones, making it difficult for deserving young people to pursue their educational dreams.
