I would like to begin by saying thank you. Thank you for your generosity, thank you for your efforts, and thank you for your support. When my father injured his back while working, my family's financial situation changed significantly. The fact that my father needed to undergo two spinal surgeries only added to my family's financial need even more. My dad may never be able to work again and that is a scary thought for me and my family.

However, Kids' Chance of PA has alleviated some of this financial burden. It was difficult for my family to adjust to the change in our finances, but this scholarship has made the change that much easier. I am thankful for the kindness that Kids' Chance extends to each and every one of its recipients who have been affected by work-related injuries. I hope that I can make Kids' Chance proud by using my scholarship to further my education in the media and communications field.

I am very appreciative of the opportunity that Kids' Chance has given me. The opportunity to focus less on the stress of finances and to focus more on my higher education. Kids' Chance has truly made a difference in my life, and I will be forever grateful.

Thank you,
Hayley – University of Pittsburgh Class of 2022
