Thank you so much for supporting me throughout my entire college career at La Salle University. I recently graduated Maxima Cum Laude, with a cumulative GPA of 3.86 for two Bachelor of Arts degrees in Psychology and Criminal Justice. In addition, I was a member of the National Society of Collegiate Scholars, the Psi Chi International Honors Society, and made the Deans List for eight consecutive semesters. I greatly enjoyed my time learning at La Salle University and also being a member of the cheerleading team for all four years, with the honor to be captain during my senior year.

I plan to continue my education at American International College in Springfield, Massachusetts as part of the Forensic Psychology MS program. If there are any opportunities for graduate school scholarships, I would be greatly interested. My overall goal is to become a forensic psychologist.

Thank you again for encouraging and supporting me throughout my time at La Salle University. Thank you,
Ali – La Salle University Class of 2021
