My name is Kasey L. I am a current sophomore and elementary education major at Kutztown University. I wanted to take the time to thank you for the very generous scholarship that I was recently awarded for the 2021-2022 school year. My family and I greatly appreciate this scholarship as it helps me pursue my dreams of attending Kutztown, continuing my collegiate cheerleading career, and eventually receive my bachelor's degree and become an elementary school teacher. Receiving this award gives me great motivation to work hard in accomplishing my academic goals and I am beyond excited to see what this school year has in store for me! Thank you again for the extreme generosity and I hope that I can make the Kids' Chance of Pennsylvania foundation very proud.
